FOR YOU AND PLANET BLUE.

The way of **Water**  
is the way of BWT.

**Water is the lifeline of every building.**

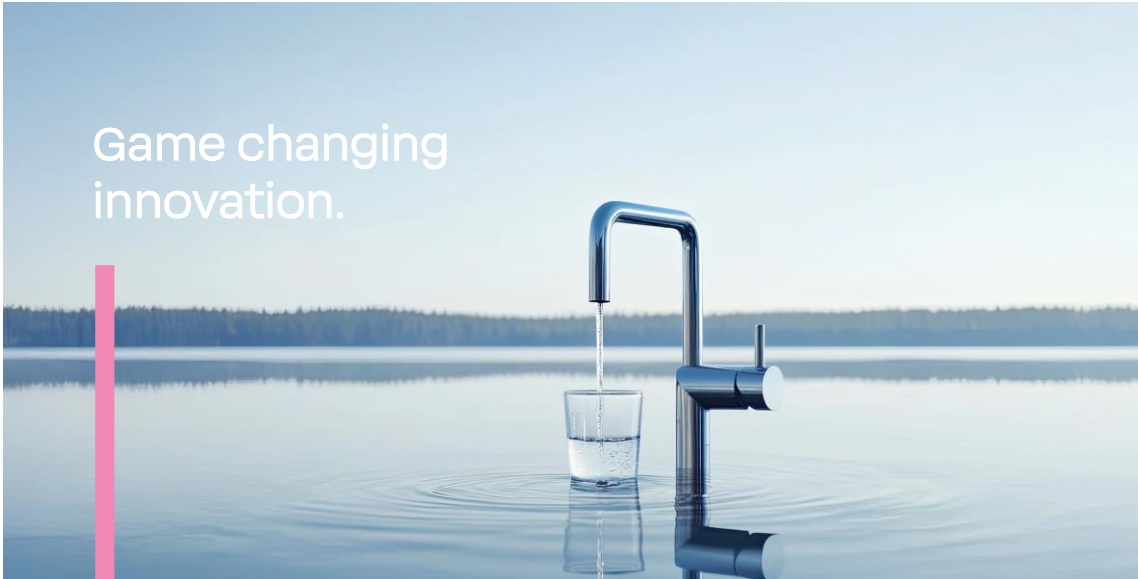

- Creates stunning spa & kitchen water experiences
- Cooling and heating circuits for humidification
- Silky-soft and mineralized water for better living
- Reduces single-use plastic and glass bottles and transport

BECAUSE BETTER WATER  
MEANS A BETTER FUTURE.

Game changing  
innovation.

13,3 to 58 kW

# GASSNER.

STAINLESS LUXURY IN POOL

Water: The powerful element  
for a healthy lifestyle.

Luxury hotels worldwide trust BWT pool water technology and Gassner pools to deliver durable, hygienic, and high-performance aquatic experiences.

Gassner delivers **high-end stainless steel luxury pool** solutions, crafted in exceptional designs.

Gassner  
Ice Mirror Tub

## Sustainable relaxation – For You and Planet Blue.

BWT Pool Technology brings significant reductions in electricity and fresh water consumption, use of cleaning agents, and energy loss.

Save energy and resources without compromising on the aesthetics or functionality of their wellness oases.

BEST  WATER  
HOTELS

**b-intense®**  
INFRARED

A place of warmth:  
Spa moments anywhere.

b-intense infrared technology and  
Enermed saunas offer the concentrated  
power of heat for relaxing moments.

 ENERMED

## Turning point for system catering industry & gastronomy.

B.ZERO is a holistic program, that marks the beginning of a new, sustainable era for wastewater, organic, paper, plastic, and residual waste.

ADA  
COSMETICS

SmartCare belongs in  
every smart building.

SmartCare sets new standards for hygiene with a sealed system that keeps every touch perfectly clean. Made from fully recyclable mono-material and easily refillable, it's designed for a circular world where sustainability and style go hand in hand.

## BWT: Your single source for the **Best Building Technology**.

- The best technology for water, heating, and a healthy lifestyle
- Always at the cutting edge, and
- ESG-compliant solutions

For people who care.  
For buildings that inspire.  
For You and Planet Blue.

TOGETHER, WE OFFER  
**ONE** HOLISTIC SOLUTION  
FOR MODERN ARCHITECTURE:

Healthy hydration meets conscious energy.

Sustainability meets style.

Innovation meets attitude.

Design meets Innovation.
